Erik,

Thank you very much for all of your assistance with my recent claim. You were a pleasure to work with and made this unpleasant situation easier to deal with.

I am more than impressed with Corey Kling of Kling Family Construction. His professionalism, great work ethic, promptness and attention to detail were exceptional. Corey was very good at staying in contact with me on a regular basis through the course of my claim. His crews ALWAYS showed up on time (which in dealing with other contractors in the past is rarely the case) and were sure to keep a clean job site. I would say if possible, they left my garage looking better than before the claim. I will definitely recommend Kling Family Construction to my family, friends, and clients. I recently mentioned to a family member that I would've been more than comfortable leaving Corey with a key and knowing my home was safe. That means a lot to me. Thank you for a job well done and confirming there are still great, ethical contractors out there.

Again, thank you to all involved.

Have a wonderful weekend!
